Form Summary	
<b>Name</b>	Mark Fisher
<b>Email</b>	
<b>Multiple choice</b>	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
<b>Why do you oppose the mine?</b>	Allowing coal mines to continue to expand and operate undermines our commitment to a cleaner and greener New Zealand. Allowing this mine to expand will permanently destroy fragile and important eco systems!
