Subject: You received a submission for Bathurst Mine Resource Consent
Date: Sunday, 17 May 2020 7:55:38 PM

Form Summary	
Name	Finn Gallagher
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Coal is a fossil fuel, we don't need more greenhouse gasses.
