2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

This is a mine that is run under strict standards as per their consent. It employs a lot of people. The onflow effect of where the coal goes to also is massive as they run the milk factories. There is no ~~viable~~ viable alternative for these plants to run on.

Please attach additional pages if required

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

Let them keep operating as they are. And make people that oppose this acherly have a viable solution. If all they are going to do is complain. But offer no solutions.
Also the council should stop trying to Bankrol themselves with trying to get more money than they ~~are~~ getting out of this!?!
already are
