- CRC203016: oppose | NOT to be heard | will NOT consider joint hearing
- RC185622: oppose | NOT to be heard | will NOT consider joint hearing

---

**Reasons comment:**

Anything that enhances the extraction of coal is undesirable with regard to sustainability.

Anything unsustainable we do should be diminishing rather than expanding. So let's diminish this.

---

**Consent comment:**

I wish the consent authority to develop a policy position on extractive CO2 unlocking energy sources like coal: reduce rather than expand.
