Form Summary	
<b>Name</b>	Lily Marshall
<b>Email</b>	
<b>Multiple choice</b>	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
<b>Why do you oppose the mine?</b>	Fossil fuels need to stay in the ground for us to have a fighting chance against climate change and to promote a green future.
