Subject: You received a submission for Bathurst Mine Resource Consent
Date: Sunday, 17 May 2020 8:51:40 PM

Form Summary	
Name	Amelia Smith
Email	
Multiple choice	I oppose allowing further earthworks and discharges of contaminants into water and air as part of the expansion of the Canterbury Coal Mine., I oppose Bathurst Mining Limited being granted retroactive consent for uncontested earthworks within Canterbury Coal Mine., I support actions that may be required to mitigate the impacts of the existing harms caused by the mine.
Why do you oppose the mine?	Climate change and the biodiversity crisis - coal is old technology
