Reasons comment:

I support all of the above applications as Bathurst Resources is a very responsible and

supportive company to all of its suppliers and to the local community. I'm currently employed at BRL - CCL and have seen the effort and work done by the staff on site to make sure that we follow all the rules and regulations put in place to make sure that we are the best coal mine in the country. Bathurst also is a vital business to the local community around Colagate, Darfield and the wider selwyn / canterbury reigion, with a vast number of suppliers depending on the business provided by Bathurst. I strongly believe that given the current situation around the country and the world that Bathurst ensures that jobs are maintained and will carry on the good work to get the country's economy back on track. We need to make sure to support organisations that are vital to growth of the country's economy, and I'm sure that all of these applications will be supported by the council in order to fulfil this need.
