**Reasons comment:**

We oppose these resources consent applications by Bathurst Coal Ltd because 1) the

increase in coal extraction and subsequent increases in greenhouse gas emissions would adversely effect climate change 2) discharge of contaminated water and coal burner ash can contaminate our local water supply 3) removal of wetland vegetation from Tara stream complex would further endanger the rare Canterbury Mudfish 4) increase in 24 hour per day operation resulting in more noise pollution and night lighting to surrounding farms and Whitecliffs residents 5) increased traffic with 230 heavy vehicle movements per week and other vehicles increased to and from the mine, will cause road problems to State Highway 77 and local gravel roads

**Consent comment:**

To not grant resource consent applications to expand the Malvern Hills coal mine by Bathurst Coal Limited
