- RC185622: oppose | NOT to be heard | will NOT consider joint hearing

---

**Reasons comment:**

Coal is outdated and certainly not worth destroying the environment we need to promote

Tourism. it is as if Bathurst believe that the coal is more like gold! NZ is going green, and so is the rest of the world. Coal will be worthless except for fossil records. 'Dirty' water does not need to be discharged - it needs to not be created in the first place.

---

**Consent comment:**

Stop any further extension to the coal mine. Ever.
