**Consent comment:**

We are in a climate emergency. If we continue to allow such barbaric destruction of our planet for a few people to profit a lot, we will not have a future! My future children deserve a healthy planet! Our kids and grandkids deserve better! I don't know how the people in charge of things like this sleep at night! If we allow this operation to go ahead, we will lose so much biodiversity. Biodiversity is something the whole world NEEDS to be HEALTHY. Please please, you cannot allow this heartless company to ruin the future of our country.
