## CONSULTATION ON THE DRAFT CANTERBURY REGIONAL LAND TRANSPORT PLAN 2021-31

**THIS IS A PUBLIC CONSULTATION IN ACCORDANCE WITH SECTION 82 OF THE LOCAL GOVERNMENT ACT 2002.**

The Regional Transport Committee of the Canterbury Regional Council (Environment Canterbury) invites submissions on the draft Regional Land Transport Plan 2021-31.

The draft Plan outlines an investment strategy for developing the region's land transport network over 10 years and we are consulting to ensure the proposal is in line with the aspirations of the Canterbury community and users of the network.

The Plan sets out a vision and strategic objectives, priorities for investment, and a programme of transport activities to be undertaken by Road Controlling Authorities.

It introduces headline targets for road safety, transport emissions and moving more freight by rail.
