Boundaries as proposed for housing development in the Rolleston area.	<input type="checkbox"/> Oppose in part <input type="checkbox"/> Oppose in full <input checked="" type="checkbox"/> Support in part <input type="checkbox"/> Support in full	<p>Good rural farm land is currently being developed in the Selwyn District into houseing. This should stop. We need land for food production and with our increasing population, the need for food will proportionately increase. Once housing is established on good rural land, that can't be reverted. Land in Rolleston which is of poor soils should be used for housing only. Your current south-western boundary should be extended to include the triangled area from Dunns Crossing Road, Brookside Road, Ellesmere Junction Road. The land there is Lismore Loam, stony and with very little top soil. It takes a massive amount of irrigated water to farm. This would accommodate hundreds of houses. There is already a reticulated water supply down Edwards Rd/Brookside Rd/Ellesmere Junction Road .</p>	<p>Retain the boundaries as proposed for housing development in the Rolleston area BUT extend such to include the area bounded by Dunns Crossing Road, Brookside Road, and Ellesmere Junction Road.</p>
