Pt Form 520: Submission on Resource Consent Application

Taggart Earthmoving Limited

Part 5

No Stockpiling

The stockpiling of excavated material on the racecourse is unnecessary and should not be allowed or encouraged. A condition which can be exploited and lead to unattended management.

Excavation, water misting

Increased on site water misting is sort, providing damp excavations.

River Road Traffic Speeds

Have a speed limit of 50kmh between west of the site entrance to West Belt.

Truck movements in and out of the site will be at a slow pace. To allow for merging traffic at safe speeds and avoid potential and dangerous overtaking, 50kmh for all traffic over the total truck journey is necessary.

Hours of Operation

Restrict operations to Monday to Friday only. No weekends.

Movement in the area at weekends by adults, school children and dogs, on foot and cycle is considerable, common, in this area and greater numbers will be partaking of this activity, being close to residential Rangiora.

River Road is rural, no footpaths in many areas and narrow beams. Road safety for the public and animals should prioritize. No quarry truck movements at weekends.
