Reasons comment:

Excessive dust and noise pollution will be generated by the quarry operation. Building a quarry in a proximity of residential settlement, such as Arlington, West Belt area, two retirement villages, Windsor park and Westpark is a silly idea. Therefore, I oppose it strongly, thanks.

Consent comment:

Stop planning and building the quarry at the Rangiora racecourse. Revoke any consent already given to the applicant in relation to the quarry at the proposed location. Consider alternative locations, where the quarry won't affect such large number of people and properties
