

Submission Opposing Application

RC205104 – Taggart Earthmoving Limited

To Operate a Quarry

Submission:

From Helen Ny

I do not wish to be heard at the hearing. However, I make the following submission **in opposition to the application**.

Quarries create noise and dust. There are many homes within range of that noise and dust, including my own. Peoples quality of live will be negatively affected if this quarry goes ahead. It is not acceptable for people to have a quarry so close to homes. There will be heavy traffic on River Road, affecting those living on or near that road and those using that road.
