**Reasons comment:**

Research has shown that the dust and noise of the proposed quarry at the Rangiora Racecourse will affect all residents in this area. It is of concern for all residents who have purchased properties or are dwelling in close proximity to the racecourse and the proposed quarry. The degradation of the environment they have chosen to live in on the outskirts of

Rangiora, is not acceptable. It is clear the proposed quarry is for monetary gain by both parties without regard for the well-being of the local community.
