**Reasons comment:**

I am opposed to this because so many of us live so close by and it will cause noise and air pollution that will affect many of us. I can hear the races from my house when outside in my backyard so I am pretty sure that I will hear this quarry too. Please don't let them do this so close to residential houses! My kids also ride all over Arlington and to the local

shops and I don't want them to be breathing in the dust! Also concerned about the traffic of trucks. My kids attend Ashgrove school and most days they scooter and West belt is already a busy street and I want to know that they will be safe!
