3. The specific parts of the application that my/our submission relates to are: *(detail the specific activities or effects)*

The quarrying of the Racecourse land

4. The reasons for making my/our submission are: *(state in summary the nature of your submission, giving reasons)*

Health hazard, silica dust in the air affecting nearby residential properties particularly in norwest winds

Heavy traffic truck movements on River road affecting residential houses along the route

Ground water contamination from the quarrying

Dust inhaled by horses on the course and paddocks nearby

Dust affecting walker and riders on adjacent Ashley river stopbank

Devaluing property values in the area because of the quarry

5. I/we wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought.)*

Decline the application by taggarts

There is currently extractions happening from the river east of the railway bridge off Coldstream road well away from any residential properties, an endless supply , why not use this area ?

I also believe there is one off Mount Thomas road well to the west of Fernside which I have come across while mountain biking but unable to see into the site as it is well fenced and away from the roads etc.
