Reasons comment:

My wife and I have just bought and built a property that has turned out to be less than 1 Km away from the race course. It was not listed on our LIM report and we would not have bought in the area if this was known at the time. We have invested a lot of money and time to build in this area and for this to now be on our doorstep is completely unacceptable. The

dust and traffic noise will be detrimental to the peace and quiet we expected to have moving to Rangiora and a new sub division
