Subject: CM: Submission regarding Rangiora Racecourse Quarry Resource Consent
Date: Saturday, 7 November 2020 3:25:10 PM

Dear Sir / Madam

We are writing to add our voices in opposition to the proposed extraction of gravel at Rangiora Racecourse. The case against the proposal has been well put and doesn't need repeating here. What is clear though is that Paul Taggart obviously doesn't live anywhere near either the proposed quarry, nor any of the public roads that would be dominated by heavy vehicles for the next fifteen years.

Funny that.

Yours Sincerely

Tim and Beatrice Davis
