Reasons comment:

I am completely opposed to all of the above. I live close enough to the racecourse to hear the commentaries and so would expect to be negatively affected by noise, dust and pollutants in the air. I also believe that a lot of residents in the area, including myself, and those in the Ryman Resthome complex close by, would have their health greatly affected

by the execution of the many things Taggarts are asking consent for.

Consent comment:

Please deny this total application as it is not in the best interests of the people or the environment of Rangiora and surrounding areas.
