**Reasons comment:**

We are a young family that live on river road. Having the quarry near by will de value our house. Dust especially during a norwest will affect us negatively as well as at the preschool my son will attend in Arlington. Extra trucks traveling down river road pose an extra hazzard as our house is on the bend and can be hard to see cars coming when backing out.

Extra traffic especially trucks will not help. This is also a higher hazzard when taking my dog and son for walks down river road. Please dont allow this quarry to negatively affect our community for the sake of profit.
