**Reasons comment:**

I do not think that our twown would benefit long term from the proposed use of land at/near Rangiora Racecourse. Whilst I understand that as a business Taggart's Earhmoving would benefit from their submission I don't not believe that declining this submission would be detrimental to their ongoing operations. We, the residents of Rangiora will

however, have to live with this for the conceivable future, with irreversible environmental damage.

**Consent comment:**

I would like to see the consent authority decline all submissionS.
