Subject: CM: Proposed Quarry at Rangiora Racecourse - OPPOSED
Date: Wednesday, 4 November 2020 4:31:13 PM

Environment Canterbury,

I am writing this email to oppose the proposal to establish a quarry at the Rangiora Racecourse.

I have recently built a new home in a residential subdivision near the racecourse and have a number of concerns which include but are not limited to noise, dust and traffic - all of which will impact on me and my family's ability to relax and enjoy our home and backyard - the enjoyment of both is essential to one's wellbeing . I would be beyond disappointed if such a project were granted consent!

Please listen to the thousands of nearby residents who strongly oppose this proposal. You must appreciate the large number of individuals opposed to the application is a direct result of the proximity to residentially zoned land occupied by hundreds of families who live, work and attend school locally - families who never thought it possibly they would live next door to a quarry and suffer the effects of it.

Regards,

Marie Stokes

Worried Rangiora Resident living in close proximity to the racecourse
