**Reasons comment:**

We lived just around the corner for 2 years and the noise and dust would be terrible. They have plans to counter help with this but it doesn't work. There existing yard on a windy day shows dust blowing in the wind so at the racecourse this would blow directly at houses. This will affect the whole health of the Rangiora township. Also mining in the rangiora

boundary will lower the value of the houses closest to the mine.

**Consent comment:**

To delineate the consent and no mining to be done.
