**Reasons comment:**

The effect this will have on all of Rangiora. The amount of noise from trucks, the effect a quarry will have on the value of our houses, but the most troublesome issue is the dust and what this will do to the health and well-being of every resident in Rangiora. I find it disgusting that this consent is even being entertained! The effect on the entire town when a

nor'west wind is blowing will be harmful to everyone's health young and old. May commonsense prevail in stopping the quarry from happening!!!
