**Reasons comment:**

I do not want to be subjected to the extra environmental and noise pollution caused by a quarry. When it's windy it's already very dusty in our garden, and by the end of the week our cars need a clean. And that's without the quarry. Also the noise and traffic pollution. West Belt is already a very busy street and the extra traffic will be unbearable. Also it will

devalue our property, the properties around us and I believe a lot more in Rangiora. No one wants to live near a quarry. We have only been here since March 2020 and had we had any idea that this was a possibility we would not have bought. Do the right thing and stop this quarry
