Reasons comment:

The reason why I oppose this quarry is that I live in Rangiora west and this will directly affect myself and my family. I don't want to live near a quarry and would never choose to buy near one. We have lived here for almost 14 years and love where we live. I don't want to feel like I have to worry every time the wind blows that I am being exposed to

dangerous silica dust. I don't think it is fair that some of my friends who live in Westpark were not warned of this application when they got Lim's before building their new houses. A lot of covering up seems to have taken place and it's not right!
