## **Submission Letter**

We live on and feel very opposed to a quarry being on Our 'back-door'. We moved to this newer part of Rangiora 5 years ago, we have enjoyed being part of a developing neighbourhood with a range of housing types. Over this time local amenities have grown such as; store, flower shop, restaurant & bar x3, office space, pre-school, church, aged-care complex, and parks.

We are very concerned about the impact a quarry would have on all these amenities and families who live, play and support this neighbourhood.

We are older and have concerns about the decreased capital value of our house, as well as our general health and wellbeing.

The benefits of a quarry are strongly out weighed by our concerns of the negative adverse effects on this environment and our neighbourhood.

We OPPOSE the application of Taggarts.
