- A quarry this close to homes, retirement homes, hospital etc is a disaster.

5. I/we wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought.)

This consent ~~at~~ must be declined. Not only will it affect the health of people, but with a quarry so close to new and expensive homes, this will cause the homes to become unsellable at the price they would have commanded before if this consent is allowed.

This quarry is too close to a residential area and should not go ahead.
