Air Quality, Transport and Urban Development portfolio comments:

Increasing rates, and making public bus network more frequent, cheaper and faster would increase usage and reduce congestion.

Is the proposed increase in rates affordable for your household?

Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community?

Don't know

Do you support the changes we're proposing to how we apply Uniform Annual General Charges?

No

Any further comments on Uniform Annual General Charges?

I think a flat rate affects lower-income families more than higher-income families

Would you support the use of borrowing for operating expenditure to offset some of the first year rates?

Yes

Any further comments on the use of borrowing for operating expenditure?

Paying over a longer period decreases the amount that the ratepayers pay per month, which for lower-income families could be very important

Do you support the rationale and proposed changes in the draft Fees and Charges Policy?

Yes
