Are you submitting on behalf of an organisation?	No, I'm submitting as an individual
Are you willing to tell us more about yourself?	Yes
Which age category are you in?	65+ years old
Which suburb or area do you live in?	
Do you think we've prioritised the right issues and opportunities?	Don't know
Which of the proposed options would you like to see us progress with?	Other option (please specify)

The other option has gone, Ecan should have been more proactive in the past, and not acting now in a rush, causing our rates to hike. The contamination of lands and water have increased over years under the watch of Ecan, nitrate levels have increased with the growth of darying in this area, the change of farming practices needed to be controlled, we are going pay more for work that should have been done years ago.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes

Climate Change and Community Resilience	No
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

We started to receive rate subsidy as our earnings have decreased, now you want to lumber us with a increase we can't afford !

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? No
