Which age category are you in? 65+ years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Stop cereal farmers burning stubble. It is not allowed in Europe, it is bad for people with breathing problems, it looks real bad some days, sure not clean air, has minimal benefit for the farmer and kills many valuable insects vital to our ecology.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	No

Regional and Strategic Leadership

Unsure

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household?

Neither option is affordable

Any further comments on affordability for your household?

We are Pensioners. The rate should be on each household not depending on the land value. Each should pay the same amount.

Is the proposed increase in rates affordable as a whole for the Canterbury community?

Don't know

Any further comments?

I cant even see any mountains at present because of burn-offs. This is pretty bad considering on a clear we can see over 200 kms. This happens many days in Jan. through March due to stubble burn, not a good look for Kiwis or visitors.
