Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? No

Which age category are you in? -

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

We need people to drive more ev's around the city, alone with cheaper bus tickets. Rates should not increase, you need to work with what you have instead of asking rate payers for a hand out and more money.

Which of the proposed options would you like to see us progress with? Option 1: statutory work, prior commitments and accelerating key initiatives

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Rates increase needs to be removed. More ev's been driven and cheaper bus tickets

Do you generally support the activities proposed in the following portfolios:

Water and Land No

Biodiversity and Biosecurity Yes

Climate Change and Community Resilience No

Air Quality, Transport and Urban Development No

Regional and Strategic Leadership No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land
. Air Quality, Transport and Urban Development

Water and Land portfolio comments:

Stop letting companies steal water and bottle it.

Air Quality, Transport and Urban Development portfolio comments:

More ev's on the road, cheaper bus tickets and less cycle lanes

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

No rates increase

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?
