Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 25-39 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Less spent on transport and urban development and more time and effort spent on cleaning up our rivers and general water quality.

Which of the proposed options would you like to see us progress with? Other option (please specify)

Keep the rates the same people are already hit hard enough. look at alternative options of funding.

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Spend less on public transport that only a very small percentage of the population actually use. Invest the money saved from that in actually making a difference and clean up our rivers. Its a joke to even say clean green NZ when half our rivers are not even safe to swim in.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes
Climate Change and Community Resilience	No
Air Quality, Transport and Urban Development	No
Regional and Strategic Leadership	No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Air Quality, Transport and Urban Development

Air Quality, Transport and Urban Development portfolio comments:

Waste of rate payers money.

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

People are already struggling and lots of jobs losses as a result of COVID-19. But yet you want to spend 32million on public transport its a joke.

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? No

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Yes

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? No

Any further comments on the Fees and Charges Policy?

Cut back on council meetings no increase in funding. No pay increase for Councillors' remuneration or mileage there get paid enough.
