Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 40-64 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Keeping rates increases below inflation. 25% is insane!

Which of the proposed options would you like to see us progress with? Option 2: statutory work and prior commitments

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Whatever it takes to keep increases below inflation. Proposing 25% increase this year is insane and highlights that ECan is incompetent and out of touch with its electorate.

Do you generally support the activities proposed in the following portfolios:

Water and Land	No
Biodiversity and Biosecurity	No
Climate Change and Community Resilience	No
Air Quality, Transport and Urban Development	No
Regional and Strategic Leadership	No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

Increases must be kept below inflation. I would welcome central government setting caps on rates increases

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?
