Which age category are you in? 65+ years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? Don't know

Do you generally support the activities proposed in the following portfolios:

Water and Land Unsure

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land

Water and Land portfolio comments:

Develop Enverton Park as a parkland not a farm or anything else

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

Rates are becoming unaffordable for many property owners and indirectly renters. The land ownership system is almost obsolete and reflects European aristocracy protection and current money manipulators too much

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?

Affordability must be based on income from contributors, not what some large company or bureaucracy desires.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Any further comments on Uniform Annual General Charges?

the ratepayer system requires massive change. Ecan is being over the top and needs a change in approach to the necessities of existence

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Don't know

Any further comments on the Fees and Charges Policy?

Reflect reality and the need for activity affecting existence
