Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 25-39 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? Yes

Which of the proposed options would you like to see us progress with? Option 1: statutory work, prior commitments and accelerating key initiatives

**It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?**

I am very keen to see the fast development of well-utilised public transport as a key to reducing emissions in the area. I am also very keen for the focus on care/repair of water systems.

**Do you generally support the activities proposed in the following portfolios:**

Water and Land	Yes
Biodiversity and Biosecurity	Unsure

<b>Climate Change and Community Resilience</b>	Yes
<b>Air Quality, Transport and Urban Development</b>	Unsure
<b>Regional and Strategic Leadership</b>	Unsure

**Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):** . Climate Change and Community Resilience

**Climate Change and Community Resilience portfolio comments:**

I am very keen for transformative policies to address both the climate crisis and the social change that will result from it - building community resilience to handle the huge challenges ahead. I am pleased to see that these issues are central to the plan and wanted to voice my support for that approach.

**Is the proposed increase in rates affordable for your household?** Option 1 is affordable

**Any further comments on affordability for your household?**

Rates are a challenge for me but I believe in the things they pay for so I accept that if there will be transformative policies in response to the climate crisis, there will be rates increases

**Is the proposed increase in rates affordable as a whole for the Canterbury community?** Don't know

**Do you support the changes we're proposing to how we apply Uniform Annual General Charges?** Don't know

**Would you support the use of borrowing for operating expenditure to offset some of the first year rates?** Don't know

**Do you support the rationale and proposed changes in the draft Fees and Charges Policy?** Don't know

**Where do you live in Canterbury? Select your district below:** Christchurch city including Banks Peninsula

**Would you like to see us investing in the following initiatives in your area? Kaikoura**

**Would you like to see us investing in the following initiatives in your area? Hurunui**

**Would you like to see us investing in the following initiatives in your area? Christchurch** . Using aquifer recharge to manage freshwater quality  
 . Other initiative/s (please specify)

**Other initiative/s (please specify) Christchurch**

I would love to see more public transport services, and more city design that invites/promotes public transport use so we can un-normalise using cars as a default. This has started already, but I would love to see more of it and in a way that makes using public transport a positive/enjoyable thing rather than just a way to avoid how annoying/expensive it is to find a park. (Ie a carrot approach as well as a stick approach.)

**Would you like to see us investing in the following initiatives in your area? Selwyn**
