Climate Change and Community Resilience portfolio comments:

We have a lot of people and land that will be impacted by climate change. This should be a priority. I would be happy to pay even more rates to address this.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

Some households may struggle, perhaps a targeted relief for low income may be useful

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Any further comments on the use of borrowing for operating expenditure?

I would rather pay more than have ECAN be in more debt which we have to pay off later
