It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

I confine my comment to the issue of Water and Land.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Unsure
-----------------------	--------

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land

Water and Land portfolio comments:

I see no reference to water bottling and the export of fresh water to China. This is relevant in times of shortage and the possibility of restrictions on water use.
