Email address

Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 40-64 years old

Which suburb or area do you live in?

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Water

Which of the proposed options would you like to see us progress with? Other option (please specify)

Water

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Water missing stop wasting money and living in your own silo

Do you generally support the activities proposed in the following portfolios:

Water and Land Unsure

Biodiversity and Biosecurity No

Climate Change and Community Resilience No

Air Quality, Transport and Urban Development No

Regional and Strategic Leadership No

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

- . Climate Change and Community Resilience
- . Air Quality, Transport and Urban Development
- . Regional and Strategic Leadership

Climate Change and Community Resilience portfolio comments:

forget about climate change far to late world has always changed. Community resilience meaningless
weaslle words just more highly paid unemployable fools dept

Air Quality, Transport and Urban Development portfolio comments:

Air quality still approving quarries, developments that are dust storms during development. Bus fleet
emitting clouds of diesel emmissions. Buses are a disgrace

Regional and Strategic Leadership portfolio comments:

Absolute joke get in the real world

Is the proposed increase in rates affordable for your household? Neither option is affordable

Any further comments on affordability for your household?

Do you really believe you can justify any increase when you show no constraint in your ever increase
in staff numbers and salaries look in a mirror and not get a red face

Is the proposed increase in rates affordable as a whole for the Canterbury community? No

Any further comments on affordability for the community?

the community is treated as a cash cow by ecan

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? No

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Any further comments on the use of borrowing for operating expenditure?

get some fiscal accoutability

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? No

Any further comments on the Fees and Charges Policy?

all these costs are in the end are passed on to the public

Where do you live in Canterbury? Select your district below: Christchurch city including Banks Peninsula

Would you like to see us investing in the following initiatives in your area? Kaikoura

Would you like to see us investing in the following initiatives in your area? Hurunui

Would you like to see us investing in the following initiatives in your area? Waimakariri

Would you like to see us investing in the following initiatives in your area? Christchurch . Other initiative/s (please specify)

Other initiative/s (please specify) Christchurch

Get rid of many ridiculous positions in ecan

Would you like to see us investing in the following initiatives in your area? Selwyn

Would you like to see us investing in the following initiatives in your area? Ashburton

Would you like to see us investing in the following initiatives in your area? Mackenzie

Would you like to see us investing in the following initiatives in your area? Timaru

Would you like to see us investing in the following initiatives in your area? Waimate

Would you like to see us investing in the following initiatives in your area? Waitaki

Any further comments?

Actually a waste of time as you have already decided the pathway believe your proposed rate increase was a red herring and you will come back and say after listening to the public concerns we have been able to reduce the increase to 19% a figure you were actually looking for!!oldest trick in the box

Do you wish to speak to your submission? No

Would you like to be kept up-to-date with the outcome of this consultation? No

How did you find out about giving feedback? . Newspaper
