ACTION

INFO

13th March, 2021.

Environment Canterbury,
My Submission,

As a Mid-Canterbury mixed crop farmer I strongly object to the proposed 18-25% increase in our E-can rates.

We get no benefit from, C.W.M.S. Environment Infrastructure, or Passenger Transport, or Air Quality Rates, or Clean Heat Loan, & no Pest Management.

We already pay \$4790 (annual) add 25% = \$5987.

To pay 25% increase for E-can to make more rules to penalize farming is an injustice.

This is grossly unfair compared to a Christchurch resident who pay only a fraction of this amount but receive full benefits.

Yours faithfully,
Jan Hydes.
