I support Option 1

1. Glad to see Enviroschools funding for expansion

2. I support the myway bus trial and expansion. This is a great initiative. Keep it going longer, keep refining it, keep promotong it. I see it as bridging the gap between public transport and uber and ride share type services. I would imagine the efficiencies achievable Christchurch would make it even better.

3. One of the things that frustrates the public is the perceived lack of teeth to sort out blatant offenders/breaches. Unsure whether there is anything you can do to get stronger in that area?
