Please find a way to improve our rivers. Within my life time our waterways have disappeared or deteriorated due to irrigation. Please stop letting more farms irrigate! The growth of dairy farms cannot be sustained. It is affecting our land use and our waterways.

This is a fantastic service. Timaru need's to keep MyWay as it is a more sustainable option for our buses. I never used the old buses as the timetables never suited me but I have used MyWay several times and have got my teenagers using it as well. As a very busy household using MyWay to get the teenagers to after school activities has been a godsend. Please keep MyWay. It is a wonderful and much needed service for our community.
