Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Water and Land

Water and Land portfolio comments:

I believe there needs to be a wildlife corridor established between the mountains and the banks peninsula/ coastal region. This could be achieved by mass native replanting along the Waimakiriri river / Ashburton River. The same could be applied to the Selwyn river corridor.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

I believe it is the large companies such as Fonterra that should be paying for much of this work, especially river and land work, not individual households.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know
