Are you willing to tell us more about yourself? No

Which age category are you in? -

Do you think we've prioritised the right issues and opportunities? Yes

Which of the proposed options would you like to see us progress with? Option 1: statutory work, prior commitments and accelerating key initiatives

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Water in Canterbury is a priority. We need to continue to improve water quality in our rivers and reconsider the amount of water we allow overseas companies to remove from our aquifers. Also we need to reassess how much green space we allow for housing development. We don't want to end up looking like Auckland. We need to build up not out with more apartment availability near to the city

Do you generally support the activities proposed in the following portfolios:

Water and Land	Yes
Biodiversity and Biosecurity	Yes

Climate Change and Community Resilience Yes

Air Quality, Transport and Urban Development No

Regional and Strategic Leadership Unsure

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):
