Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Air Quality, Transport and Urban Development

Air Quality, Transport and Urban Development portfolio comments:

I would like to see the improvements to bus services tried in Christchurch IF the Timaru trial shows a significant increase in bus patronage is the result. I am not quite convinced that people's habits are so easily changed.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Is the proposed increase in rates affordable as a whole for the Canterbury community? Don't know

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Any further comments on Uniform Annual General Charges?

I trust you but don't understand UAGC

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? No

Any further comments on the use of borrowing for operating expenditure?

I think there will be new problems emerging in the future from climate change and environmental degradation effects, and we want to be in as good a financial position as possible to respond as they arise.

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
