What do you feel are the significant challenges and opportunities we face?

If "the future of Canterbury's environment is up to all of us", then why were the trees removed from the Ashley river bed in 2020 without any mention to anyone, and ecan saying because they had to go. This is good proof that ecan just do what they want. As for your 18 -24% rate increase [for what] remove some of the over payed from the higher seating positions, which could also help pay your court fines from recent times.

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):
