Are you submitting on behalf of an organisation? No, I'm submitting as an individual

Are you willing to tell us more about yourself? Yes

Which age category are you in? 25-39 years old

Do you think we've prioritised the right issues and opportunities? No

What do you feel are the significant challenges and opportunities we face?

Our challenges are climate change, water contaminants and pollution.
Corporate greed and lobby groups directing Ecans decision making. Putting our Children's access to clean safe drinking water at risk.
We need to move away from cars and massive road projects, we need far better public transport and light rail.

Which of the proposed options would you like to see us progress with? Other option (please specify)

Better response to dealing with nitrates and climate change.

It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?

Not enough done to protect our drinking water from nitrate pollution.

Do you generally support the activities proposed in the following portfolios:

Water and Land	Unsure
Biodiversity and Biosecurity	Unsure
Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Unsure
Regional and Strategic Leadership	Unsure

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on):

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

I would pay for the protection of clean nitrate free water and busses. Not more highways to urban sprawl put their by developers.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

We need low cost public transport to make it affordable for all to get around.

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Don't know

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Don't know

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes

Any further comments on the Fees and Charges Policy?

Charge the user, charge those that pollute and make money out of it.

Where do you live in Canterbury? Select your district below: Christchurch city including Banks Peninsula
