Are you submitting on behalf of an organisation?	No, I'm submitting as an individual
Are you willing to tell us more about yourself?	Yes
Which age category are you in?	65+ years old
Which suburb or area do you live in?	
Do you think we've prioritised the right issues and opportunities?	Yes
Which of the proposed options would you like to see us progress with?	Option 1: statutory work, prior commitments and accelerating key initiatives
It is important that we hear what you would like to keep in the plan, what you think should be removed, and anything that you think we have missed?	
I believe the plan is very good, but I believe it will require more stringent climate-related regulations before ten years have passed.	
Do you generally support the activities proposed in the following portfolios:	
Water and Land	Yes
Biodiversity and Biosecurity	Yes

Climate Change and Community Resilience	Yes
Air Quality, Transport and Urban Development	Yes
Regional and Strategic Leadership	Yes

Do you have any further comments on the activities proposed in specific portfolio/s (please select all those you wish to comment on): . Climate Change and Community Resilience

Climate Change and Community Resilience portfolio comments:

I think that subdivision planning needs to be strengthened to stop development in so-called 100 year flood zones, but regional planning must include displacement from Chch eastern/sea-level suburbs.. I also think rate rises could be higher. Finally, ECAN needs to wrest back control of Aquifers from China to mitigate drought decades.

Is the proposed increase in rates affordable for your household? Option 1 is affordable

Any further comments on affordability for your household?

We can pay more.

Is the proposed increase in rates affordable as a whole for the Canterbury community? Yes

Any further comments on affordability for the community?

Climate change leaves no option, but we ought not be supporting convention centre and stadium type initiatives

Do you support the changes we're proposing to how we apply Uniform Annual General Charges? Yes

Any further comments on Uniform Annual General Charges?

Hope you took into account inflation in estimating costs of improving water quality and systems.

Would you support the use of borrowing for operating expenditure to offset some of the first year rates? Don't know

Any further comments on the use of borrowing for operating expenditure?

I would hope it would not be necessary, and definitely do not borrow from any Chinese-linked entity .

Do you support the rationale and proposed changes in the draft Fees and Charges Policy? Yes
